We have this great property for sale. A large property as well as a large plot, very close and well connected to highway access. The property consists of a first floor, 200 meters, and several solarium terraces for the enjoyment of its owners. On the other hand, the basement, has 300 meters more to be able to make a new property, or several, to monetize renting, or for guests. Its first floor is a restaurant area, which confers with this purchase to have a rented area for a monthly return of â‚¬ 2000 per month for its new owners, paying for the same purchase of this villa. Do not hesitate,...(Ask for More Details!)
