Want to buy a village? There is a lovely modern house and 60000 m2 of land with various ruins totalling 2100m2 of build. This is an exceptional bargain for any one looking for an incredible investment. There is a lovely house which is set on a separate plot. The house is in a great location with beautiful views. It is set in a pine forest with excellent access via a short tarmac road. There are gorgeous gardens with a very unique and charming woodland backdrop. There is a large patio to the outside of the property which is part glazed. There are also outside storage rooms and an outside tap....(Ask for More Details!)
