N/A

A one off opportunity to own and re create a piece of Spanish history in the heart of the Vinolopo wine region. This property was once a working bodega, with a build size of 800m² with so much potential to build a stunning country house or create a business opportunity. this property is semi detached. It is situated in a small village close to the town of Pinoso . There are stunning views of the surrounding valleys and mountains of PinosoThe upstairs has very high beamed and curved ceilings and could easily be transformed to a fantastic living space The possibilities for the ground floor are endless, there are many...(Ask for More Details!)
