Very spacious and comfortable house with spectacular views, located in a super quiet area but close to all amenities. The well-maintained communal pool has plenty of shaded areas and is open all year round. The house consists of six double bedrooms, one on the ground floor, and two of them have en-suite bathrooms. In total, there are five large full bathrooms, two of which feature large round jacuzzis. There is a large separate kitchen-service area, a very large living-dining room, and a laundry room where the boiler and water heater with a water tank for hot water are installed. The property includes a 600m² garden and is located on the...(Ask for More Details!)
