Pretty little house in a peaceful location. You enter via a shaded patio (vegetation) to access the living room followed by an independent kitchen. It is fully equipped and recent. It offers all the comfort necessary for a family. The floor is tiled in all the rooms. The bathroom has a bathtub with wall-mounted shower. Two laundry rooms, one closed and the other open onto a terrace covered by a rondo will allow you to peacefully enjoy the joys of the evenings at the pleasant temperature of the region.
