35,000m²

N/A

This beautifully renovated 400m² home offers a blend of traditional charm and modern comfort, situated on a vast 35,000m² plot just 8 km from Yecla. The first floor features two spacious living rooms, three bedrooms, a well-equipped kitchen, a pantry, and a bathroom. The outdoor patio, perfect for entertaining, includes a barbecue area and an additional toilet. The second floor boasts another living room with a cozy fireplace, an additional kitchen, and a bathroom, providing ample space for family living or hosting guests. The property also includes a large 130m² garage, a swimming pool, irrigation water, and a separate drinking water tank. With electricity already connected, this home is ready...(Ask for More Details!)
