Beautiful detached villa in urbanization in Campos del Rio. In the urbanization of +/- 50 houses live English, Dutch, Belgian, Spanish and French people. The plot of 2000m² is fully fenced and you have beautiful views of the mountains. You can enter the house through the front door or back door. At the back you enter the house by stairs to a large porch from where you can see the pool and enjoy the view. You then enter the house into the spacious living-dining room of 52. 8m², heated via an 8kw pallet stove installed in December 2023. There is also a gas fireplace, however the gas connection...(Ask for More Details!)
