Now we have the honor to present a south-east facing ground floor apartment in the popular urbanisation Ko Samui in the heart of Los Dolses. The apartment offers two spacious bedrooms, two bathrooms, one of which is 'en-suite', open-plan kitchen and living room, paved terrace of 11 sqm, private garden of 65 sqm and a practical storage room / laundry room adjacent to the kitchen. In addition, the purchase includes an extra large garage space and a very spacious storage room adjacent to it. The property is sold furnished according to the inventory list. Ko Samui, which is the name of the urbanisation, offers its members two fantastic pool areas,...(Ask for More Details!)
