**For Sale: Restoration Project** We present the remnants of a stone house situated on a generous plot of 37,000 m<sup>2</sup> of fertile land in the urban area of Yecla. The property features irrigation water. Nestled in a tranquil location, this site offers stunning views that enhance its appeal. Plot is easily accessible via a dirt road. This is a low-cost investment for those with the vision and courage to transform it into a remarkable residence. This exceptional opportunity, although offering numerous options for development, is not for everyone - but might be for you! Don't miss out on this chance to create something extraordinary. Yecla is renowned for its wine production,...(Ask for More Details!)
