We present this absolutely stunning penthouse in the center of Torre Vieja. The penthouse consists of 4 bedrooms and 2 bathrooms (one en suite for the master bedroom). Its two terraces offer the opportunity to relax in various locations, enjoying multiple orientations and taking advantage of all the sun and shade depending on the time of day. Two of the bedrooms are directly connected to the main terrace that surrounds the L-shaped home, and one bedroom has its own terrace of approximately 15 square meters. Likewise, on the main terrace, there is a space with a pergola where you can enjoy a good meal with family and friends, a wonderful moment...(Ask for More Details!)
